

GOVERNMENT OF ANDHRA PRADESH
SCHOOL EDUCATION DEPARTMENT

Procs.Rc..No. ESE02-36/18/2020-GS&GR-CSE Dt.**06/02/2020**

Sub:-School Education – Proposals for re-opening and up gradation of schools – Instructions – Issued – Reg.

All the Regional Joint Directors of school Education and District Educational Officers in the state are informed that the proposals for re-opening of closed schools and for up gradation of classes IXth & Xth are being received by this office. During the verification it is noticed that most of the proposals which are submitting for up gradation are belated, eg to accord permission for upgradation for previous academic years i.e., for 2017-18, 2018-19 at a time, that too during the middle of the academic year.

Hence, all the Regional Joint Directors of school Education and District Educational Officers in the state are instructed to submit the proposals for re-opening of closed schools and for up gradation of classes IX & X **well in advance with proper justification i.e., by 31-03-2020 for the academic year 2020-21.** After 31st march, 2020 no proposals will be accepted either for re-open and for up gradation.

All the Regional Joint Directors of school Education and District Educational Officers in the state should **follow these instructions scrupulously.**
