

DIRECTORATE OF GOVERNMENT EXAMINATIONS

ANDHRA PRADESH:: VIJAYAWADA

Rc.No.152/B-1/2020

Dated: 24-03-2020

PRESS NOTE

It is hereby informed that due to the spread of COVID-19 lockdown has been announced in the entire state and the public transport has also been stopped. All the schools in the Government and private managements have been closed from 19-03-2020 itself as a precautionary measure. It will be difficult for the students to go to the schools to collect their hall tickets as well as to go to the examination centres to take the examination due to non availability of public transport. The students of residential schools have also been made to vacate their hostels and it is difficult for them also to reach the schools as well as centres. As there is no transportation it is very difficult for the Chief Superintendents, Departmental Officers, Invigilators and other examination related staff to reach the examination centres and make arrangements. The medical staff are fully involved in taking measures to stop the spread of the virus and police are deployed to enforce the lockdown. It will be difficult for medical staff as well as police to concentrate on their assigned duties in examination centres.

In view of the above situation the SSC Public Examinations are postponed for two weeks and the revised schedule will be announced after 31-03-2020.
